AUTHORIZATION

We hereby confirm that the company

Techno Sun S.L.
Av. Pérez Galdos, 37
46018 Valencia
Spain

has operated in Spain since 1999 as an authorized distributor by marketing KYOCERA Solar Electric products, namely

- **Polycrystalline Photovoltaic modules and accessories**

and is entitled to design, integrate and service the power generation systems containing these products.

The mutual agreement is not exclusive and valid for an unlimited duration. In any case both parties are entitled to terminate this agreement at any time in writing.

Esslingen, January 1st, 2010

KYOCERA FINECERAMICS GMBH

A handwritten signature in black ink, appearing to read 'Werner Muller', written over a horizontal line.

Werner Muller
Sales Engineer, Solar Division
