

**CONFIRMATION OF INSURANCE COVERAGE**

Against excessive loss of output of photovoltaic modules

Insured Year of Manufacture: 2010

We herewith confirm that **Great Lakes UK** (the 'Insurer') and

**LDK Solar Europe Holding S.A.**

(the 'Insured')

have concluded an insurance coverage against excessive loss of output of photovoltaic modules produced or manufactured by the Insured during the Insured Year of Manufacture 2010.

We herewith confirm that this cover is fully reinsured by **Munich RE**.

The period of indemnity shall commence 60 months after an insured module was sold and shall be 20 years.

All other terms and conditions as per the insurance wording between the Insurer and Insured to be agreed by 01.04.2010 otherwise cover is cancelled ab initio.
